AYAMONTE

In Ayamonte, the set of sports facilities offers the possibility of practicing a wide variety of sports for all levels. Among these facilities, we highlight **two stadiums** that include two 11-a-side Football pitches and a 400m Athletics track (8 runners), **five sports halls, five multi-sports halls, and an indoor swimming pool** with two water levels. In the sports halls, you can practice team sports such as Basketball, Volleyball, and Futsal. They also organize group activities such as Gymnastics and Fitness classes. The Municipal swimming pool has an indoor pool for Swimming and Aquatic activities, as well as weight training and cardiovascular training rooms, and also offers classes in Spinning, OcioStretch, and other disciplines. Ayamonte also boasts several outdoor spaces, equipped for sports activities such as Hiking, Cycling, and Calisthenics, taking advantage of the privileged natural environment.

FOOTBALL FIELD

City of Ayamonte Stadium

- Artificial turf Football pitch measuring 100 x 63 meters.

CASTRO MARIM

Castro Marim boasts a functional and well-integrated sports infrastructure, fundamental to the county's sporting development. The **municipal sports hall and swimming pool** are the cornerstones of this network. Both facilities serve as centers for school physical education, public recreation, and direct support for the various local sports associations. The existence of several recreational **multi-sport** facilities spread throughout the municipality completes this offering. They facilitate access to sport, promote community participation, and provide the setting for a wide range of sporting and leisure activities. This set of facilities improves the health, social cohesion, and sporting vitality of Castro Marim.

MUNICIPAL SPORTS HALL
